Dear Learning Equality Hiring Managers,

I am interested in becoming an intern at Learning Equality. You are looking for interns that are dedicated, hard working, and willing to learn new skills and I strongly believe I fit all these descriptions. When I put my name on something, I make sure I put one hundred percent effort into what I am doing. I work efficiently and make sure that I complete whatever task I am working on. I am also very open, easy-going and friendly and I like to come up with compromises whenever a decision cannot be made. I have experience in Java, Javascript, C, C++, HTML, Python, Matlab, Git, and am willing to learn many more on my own, and through this internship.

I hope you consider me for this position and I look forward to hearing back from you soon.

Thank You,

Karla Avila
